Placement Policy & Career Development Guidelines

1. Objective

The Training & Placement Cell facilitates employment opportunities for eligible students through campus recruitment drives.

---

2. Eligibility Criteria

To be eligible for placements:

- Minimum **60% aggregate** throughout academics
- Maximum **1 active backlog**
- No disciplinary actions pending

---

3. Registration Process

- Students must register on the placement portal.
- Upload resume and academic details before the deadline.
- Late registrations are not accepted.

---

4. Placement Rules

- A student can receive **maximum 2 job offers**.
- Once placed with a package above the defined threshold, the student may be restricted from further drives.
- Offer acceptance is mandatory once confirmed.

---

5. Training Programs

- Aptitude training
- Technical skill workshops
- Mock interviews
- Resume building sessions

---

6. Code of Conduct

- Professional behavior during interviews is mandatory.
- Absenteeism without notice may lead to debarment from future drives.
